1998 ARTICLE INDEX

Articles published in PRODUCTS FINISHING, January through December, 1998, classified by subject...

Month, Page

ANALYSIS
The Importance of Particle Size in Liquid Coatings, by Dr. Richard Himics and Ramon Pineiro ..... November, 46

ANODIZING
Anodizing Influences, by Nathan A. Tiner ..... March, 64

BAKING, CURING
Preventing Solvent Pop, by Steve Hazelwood ..... October, 74

BLACKENING
Blackening System Solves Expansion Plans ..... August, 60

BUFFING
Quick Tips on Buffing ..... June, 44
From Vision to Reality, by Beverly A. Graves ..... December, 56

CHEMICAL COATINGS (Organic)
Doing Pretreatment Right, by Steven R. Kline, Jr. ..... September, 42
Passivation of Stainless Steel, by Dan Englebert ..... November, 70
The Importance of Particle Size in Liquid Coatings, by Dr. Richard Himics and Ramon Pineiro ..... November, 46

CLEANING
Cleaner Helps Bottom Line, by Beverly A. Graves ..... April, 68
Cleaning with Co-Solvents ..... August, 68
Doing Pretreatment Right, by Steven R. Kline, Jr. ..... September, 42
Cleaner, Drier Supplies ..... September, 48
Preventing Solvent Pop, by Steve Hazelwood ..... October, 74
Solvent Cleaning is Alive and Well ..... November, 56

COIL COATING
Thermoset Solution Fluorocarbon Coil Coatings ..... January, 42
Coil Coater Plant Bypasses Oven Exhaust Probems ..... August, 56

1998 Article Index . . .

CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS
Automotive Finishing '98 Conference and Exhibition ..... May, 50
Sur/Fin '98 Conference and Exhibition ..... June, 51
Powder Coating '98 Returns to Indianapolis ..... September, 50

CORROSION
CPVC Piping System Prevents Corrosion ..... August, 53

DEGREASING
Cleaning with Co-Solvents ..... August, 68

ELECTROCOATING
Electrocoat '98 Conference ..... February, 56
Adding on Electrocoating Line Quickly ..... March, 42
Adding a Second Electrocoating Line ..... March, 56
Troubleshooting for Electrocoating ..... July, 56
AST Combats Corrosion ..... December, 70

ELECTROLESS PLATING
Some Information on Electroless Gold Plating ..... January, 50
Nice Guys Finish First ..... February, 42
Electroless Nickel Bath Ensures High-Quality Parts ..... February, 52
Regenerative Electroless Nickel Plating Process ..... February, 64
EN Process Eliminates Plate-Out on Stainless ..... June, 100
Controlling Electroless Nickel Baths, by Brad Durkin ..... October, 54

HIGH-SOLIDS COATINGS
Weathering the Elements ..... October, 66

MANAGEMENT
A Look at a President ..... January, 67
1998 Large Coating Job Shop Survey, by Steven R. Kline, Jr. ..... August, 72
Boeing's Better Work Environment ..... October, 46
Benchmarking: A New Tool for Custom Coaters,
by Paula Dunnigan ..... November, 64
From Vision to Reality, by Beverly A. Graves ..... December, 56
1998 Large Plating Job Shop Survey, by Steven R. Kline, Jr. ..... December, 78

MISCELLANEOUS
Finishing Experiences in Latin America, by Jivan Shah ..... May, 82
CPVC Piping System Prevents Corrosion ..... August, 53
Lubricating Powder Coating Systems, by David Hamilton ..... December, 50

PAINTING EQUIPMENT, FACILITIES
Spray Coater Deals with Compliance ..... August, 64
Weathering the Elements ..... October, 66
Integrating Paint Systems ..... November, 38
Benchmarking: A New Tool for Custom Coaters, by Paula Dunnigan ..... November, 64

PAINTING TECHNIQUES
Tooling-Up the Perfect Finish ..... February, 78
Color Quality of Automotive Finishes Goes High Tech ..... May, 76
Weathering the Elements ..... October, 66
Preventing Solvent Pop, by Steve Hazelwood ..... October, 74
Integrating Paint Systems ..... November, 38

PAINT/POWDER COATING PRETREATMENT
Passivation of Stainless Steel, by Dan Englebert ..... November, 70

PAINT/POWDER STRIPPING
Stripping Paint Line Fixtures at Amana ..... October, 52

PLATING EQUIPMENT, INSTALLATIONS
New Technology for Automotive Trim ..... May, 44
Zinc Plater Finds New Market, by Steven R. Kline, Jr. ..... May, 70
1998 Large Coating Job Shop Survey, by Steven R.Kline, Jr. ..... August, 72
Boeing's Better Work Environment ..... October, 46
From Vision to Reality, by Beverly A. Graves ..... December, 56
1998 Large Plating Job Shop Survey, by Steven A. Kline, Jr. ..... December, 78
Betting It All on Plating Automation ..... December, 42
Creating a Hard Chromium Complex, by Steven R. Kline, Jr. ..... December, 62

PLATING EQUIPMENT
Meeting Strict Plating Specifications ..... June, 86
Choosing Pumps and Filters ..... July, 44
Helping Heaters Live Longer, by Fred LeFebvre ..... November, 42

PLATING PROCESSES & TECHNIQUES
AESF Week '98 ..... January, 58
Partnering is a Three-Way Street ..... March, 48
Which Zinc Do You Use?, by Milt Stevenson, Sr. ..... March, 72
Fasteners and Finishes, Part I, by Thomas S. Doppke ..... March, 76
Nickel-Chromium Plating In-House, by Beverly A. Graves ..... April, 49
Fasteners and Finishes, Part II, by Thomas A. Doppke ..... April, 82
Zinc Plater Finds New Market, by Steven R. Kline, Jr. ..... May, 70

1998 Article Index . . .

Fasteners and Finishes, Part III, by Thomas S. Doppke ..... May, 94
Chromium Plating Replacement ..... June, 39
Fasteners and Finishes, Part IV, by Thomas S. Doppke ..... July, 76
Fasteners and Finishes, Part V, by Thomas S. Doppke ..... August, 96
Fasteners and Finishes, by Thomas S. Doppke ..... September, 84
Controlling Electroless Nickel Baths, by Brad Durkin ..... October, 54
Boeing's Better Work Environment ..... October, 46
Fasteners and Finishes, by Thomas S. Doppke ..... October, 71
Fasteners and Finishes, by Thomas S. Doppke ..... November, 82
Betting It All on Plating Automation ..... December, 42
Creating a Hard Chromium Complex, by Steven R. Kline, Jr. ..... December, 62
Fasteners and Finishes, by Thomas S. Doppke ..... December, 92

POLISHING
From Vision to Reality, by Beverly A. Graves ..... December, 56

POLLUTION CONTROL, AIR
Using Carbon and Zeolite for VOC Removal,
by Frank Hussey and Ajay Gupta ..... February, 48
Coil Coater Plant Bypasses Oven Exhaust Problems ..... August, 56
Spray Coater Deals with Compliance ..... August, 64
Solvent Cleaning is Alive and Well ..... November, 56

POLLUTION CONTROL, WATER
Zero-Discharge Recovery ..... August, 48

POWDER COATING
Troubleshooting Tribo ..... January, 54
Pretreatment for Powder Coating ..... January, 62
Powder Coater Improves Production Capacity, by Beverly A. Graves ..... April, 58
Converting to Powder Coating ..... April, 42
Doing Pretreatment Right, by Steven R. Kline, Jr. ..... September, 42
Lubricating Powder Coating Systems, by David Hamilton ..... December, 50

QUALITY CONTROL/PROCESS CONTROL
Color Quality of Automotive Finishes Goes High Tech ..... May, 76
CPVC Piping System Prevents Corrosion ..... August, 53
Integrating Paint Systems ..... November, 38
From Vision to Reality, by Beverly A. Graves ..... December, 56

RADIATION CURING
Increasing Oven Line Speeds ..... March, 68

RECOVERY/RECYCLING/POLLUTION PREVENTION
Finishing Experiences in Latin America, by Jivan Shah ..... May, 82
Environmental Technology Verification Program ..... May, 92
Industry Alert ..... May, 96
Zero-Discharge Recovery ..... August, 48
Chromium and the New MACT Requirements ..... August, 80
Boeing's Better Work Environment ..... October, 46

THICKNESS MEASUREMENT
Precision Control Equipment ..... April, 62

VACUUM COATING
New Technology for Automotive Trim, by Paul T. Colarusso ..... May, 44

VIBRATORY FINISHING
Understanding Vibratory Finishing Revisted ..... July, 36

WATERBORNE COATINGS
The Importance of Particle Size in Liquid Coatings,
by Dr. Richard Himics and Ramon Pineiro ..... November, 46
